Welcome Note

The German and British Divisions of the IAP welcome you to the 5th International Junior Academy Summer School, this year being held in the beautiful seaside location of Portmarnock just outside Dublin.

This annual Summer School is aimed primarily at young pathologists. Selected topics will be discussed in depth by experts and participants are encouraged to fully participate in all the sessions and to meet and have discussions with the experts. The School also provides the unique opportunity for participants to meet with other young pathologists from many countries and to exchange ideas.
