## Birmingham Histopathology Course 2012

**11-22 June 2012**

**Birmingham Histopathology Course**

**Course Organiser: Dr Raji Ganesan**

**Venue: Birmingham Cytology Training Centre**

**Birmingham Women's Hospital, Birmingham B15 2TG**

This is a comprehensive course lasting two working weeks and providing an overview of systemic histopathology. There are topic-based lectures on the pathology of individual systems and facilitated video microscopy or multiheader sessions are undertaken. These have proved extremely popular with previous attendees. In addition there are timed slide seminars in general pathology. There is a mock exam that seeks to emulate the surgical, frozen section and macro sections of the FRCPath Part 2 examination followed by detailed feedback and an opportunity to discuss the "exam" cases with the tutor.

For further information regarding course content please contact  
Dr Raji Ganesan [raji.ganesan@bwhct.nhs.uk](mailto:raji.ganesan@bwhct.nhs.uk)

Course Fee: £750 including lunch (this fee is reduced by £50 for early registration and payment received 12 weeks prior to course commencement).

To book a place please contact Amanda Lugg: [amanda.lugg@bwhct.nhs.uk](mailto:amanda.lugg@bwhct.nhs.uk)
